L. Ebony Boulware, MD, MPH

Eleanor Easley Distinguished Professor in the School of Medicine
Chief, Division of General Internal Medicine, Department of Medicine
Director, Clinical and Translational Science Institute
Associate Vice Chancellor for Translational Research
Vice Dean for Translational Science
Duke University School of Medicine

“Where the Cloud Meets the Ground: Democratizing Health Data to Improve Community Health Equity”

Discussion will include a novel approach to democratize health system data, advancing efforts to investigate and address the social and environmental determinants of health as well as to improve community health equity.

Co-Sponsored by
UM School of Medicine, Department of Medicine
and UMB Institute for Clinical & Translational Research
