

WATER WATCHER CARD

Supervision is a critical Layer of Protection for Water Safety. Designating a Water Watcher every time you enter the water is a MUST! Color your Water Watcher Card and give it to your parents to cutout and attach to a lanyard for swim time.

To learn more about water safety and the 5 Layers of Protection to prevent drowning, scan the QR code or visit NDPA.org/layers.

WATER WATCHER
ON DUTY

ACTIVE SUPERVISION SAVES LIVES!

EVERYONE LOVES WATER, BUT SAFETY MUST COME FIRST!

- DROWNING IS THE SINGLE LEADING CAUSE OF DEATH FOR CHILDREN AGES 1-4
- BY CHOOSING A CAPABLE ADULT TO BE A WATER WATCHER, YOU CAN REDUCE THE RISK OF DROWNING!

NDPA
NATIONAL DROWNING PREVENTION ALLIANCE

AS THE WEARER OF THE WATER WATCHER CARD I PROMISE TO...

- Stay Off My Mobile Device, But Keep It Nearby In Case Of An Emergency.
- Actively Supervise Adults And Children In Water, And The Surrounding Water Area.
- If A Child Or Adult Is Missing, To Always Check The Water First. Seconds Count!
- Pass The Water Watcher Card To A Capable Adult Every 15 Minutes.
